

## **REPORT II**

### **Development**

- Roles (Writeup to Development)
- The Testing Doc (Tim?)
  - Run and increase by scale factor (undetermined factor?)
  - Average over 10 runs.
- Deadline: Friday at 23:59
- I will try to have test finished by Monday (24 Hours+ Runtime)

### **Implementation (Tim?)**

- Formal writeup of the implementation
  - Classes
  - Data Structures

### **Experiments (Claire and I)**

- Description (Me)
- Graphical Representation, PDF! (Claire?)
  - Input Size vs. Time
  - Results (Optimal will be subset.) vs. Time

### **Roles**

- Do they look okay?

### **Extra**

- Any ideas?
